

John Nugent...the man, the myth, the legend. He's been purported to be the most hated man in candlepin (which apparently gets me off the hook...that's sort of cool). This interview of "Nugeman" was conducted by none other than Stu Bergman, a member of the Caliri forum. **Please note, it's "Caliri style," so this is a bit...how do you say it...PG-13. You might want to prepare yourself before you read it! It's not for the weak of heart! Enjoy!**

How many years have you been bowling and at what early age did you first start going over the foul line?

30-years....I finally realized I could go over the line when the lights we're on at age 11.

Who are the top 5 bowlers on the planet right now?

In no order - Jeff Surette/John Zappi/Rob Henderson/Chris Hollett/Craig Holbrook

*Wow! I'm surprised he didn't include himself in there!

If you were to put an all-star 5 man team together who would that be?

Locally - Bobby Whitcomb/Jeff Surette/John Zappi/Dave Barber/Dan Allard

Who is the most overrated bowler out there?

That's a tough one Stu...I would have to say Jason Doucette (Double Gunz)

* Holy Shit! Wait until Doucette see this!!

Can the best woman bowler beat the best male bowler?

Interesting question...In one game maybe but lets say 10 games..She might win twice.

*Oh No, there goes Nuge stirring up trouble again!

Is it better to be left handed or right handed?

Left handed by far...Coming in on the 1-2 pocket from the left side is the way to go.

How does it feel to be the most hated bowler in the world and do you even give a shit?

Well I feel all warm inside..I say what I feel...If you suck then I'll tell you.

*Wow, the man's got balls!!

South shore bowlers or North shore bowlers who do you feel are better?

I would take the South Shore over the North Shore.

What are your true feeling about the meltdown twins?

They are 2 of the most over rated blowhards on the planet...I could put 50 combinations together that would wipe them off the alley.

*What a prick...douchebag!!

If you could be a female/Male bowler who would you be?

I would have to say Glennis Mckinley, because of the performance she put on Saturday beating 3 great bowlers in Surette, Allard and Carrington.

*Man, what an ugly girl Nuge would make...bring in the paper bag for that face!!

Do you think a perfect 300 game is possible?

Yup...

*WTF, does Yup mean, nice answer, genius!!

Have you ever made a legit shot, without going over the foul line or lobbing?

That's a tough one Stu...I really can't remember the last time I didn't go over the foul line so I would have to say no.

Who has the fattest ass that is bowling right now?

ha ha ha you must be joking with that question...If I had to answer that then I would have to say Sorry!-

*How about you....

Who is the biggest choker?

There's plenty of people who have gagged up some big leads in some big spots....myself included, BUT I would put Stu Bergman in for the biggest choker. Needham/Pilgrim/TV disasters....Those are just a few

*SOB, bastard I can't wait until you finally get on TV and shit your pants and bowl a 76 game...again!!

Who is Mr. Clutch?

That's a three way tie....Sargent/Holbrook/Zappi.....I would put any one of them down any amount of pins and they would pull it out 9 times out of 10.

*Hey, that's funny they said the same thing about you Nuge....NOT!!!

Who just doesn't give a shit if he/she wins or loses?

Al Beigh comes to mind.....along with Ganj himself, Just having fun.

*Oh boy, Ganj will love that one!!

What did you think of the "Worlds" Tournament?

It's overratedLast year was my first time and I thought it was going to be a lot more than it was...I know what some people will say...You sucked and your team was bad...Both very good points. I did suck and my team wasn't any good and I blame myself for that. BUT I felt that there have been better tournaments that I have been part of that equal or were even better than the worlds.

*Well, I wouldn't expect any less of an answer from a future HOF...
